

Cheesy Tuna Bake

Ingredients:

Vegetable oil	1 teaspoon
Onion, finely chopped	1 small
Cream of mushroom soup	1 can (284 mL)
Milk	1 cup
Water	½ cup
Orzo pasta, uncooked	1 cup
Tuna, light, drained	1 can (170 g)
Peas and carrots, drained	1 can (398 mL)
Black pepper	¼ teaspoon
Paprika	1 teaspoon
Cheddar cheese, grated	½ cup

Babies 6 months and older can eat fish. Fish is a source of iron and healthy omega-3 fats.

Directions:

1. Preheat oven to 350°F.
2. In a small pan over medium heat, add oil and onion. Cook for 3-5 minutes, until onion is soft.
3. In a large bowl, mix together cream of mushroom soup, milk and water. Stir in uncooked orzo pasta, tuna, peas and carrots, cooked onion and spices.
4. Grease a square casserole dish (8 x 8 inches or 9 x 9 inches) with margarine or oil. Pour tuna mixture into dish.
5. Sprinkle with cheese and bake in the oven for 35 minutes. Let cool for 10 minutes (it will thicken as it cools).

Serves 6

Tips:

- Aim for 2 servings of fish each week if you are pregnant: 1 serving = 75 grams (2.5 ounces)
- Try canned salmon instead of tuna – crush the bones with a fork before mixing salmon with other ingredients
- Instead of orzo, try a different type of pasta: Cook 1 cup macaroni or small shell pasta (following directions on pasta package)
