ASSEMBLY INSTRUCTIONS: PAGE 2

STEP 5 Repeat this

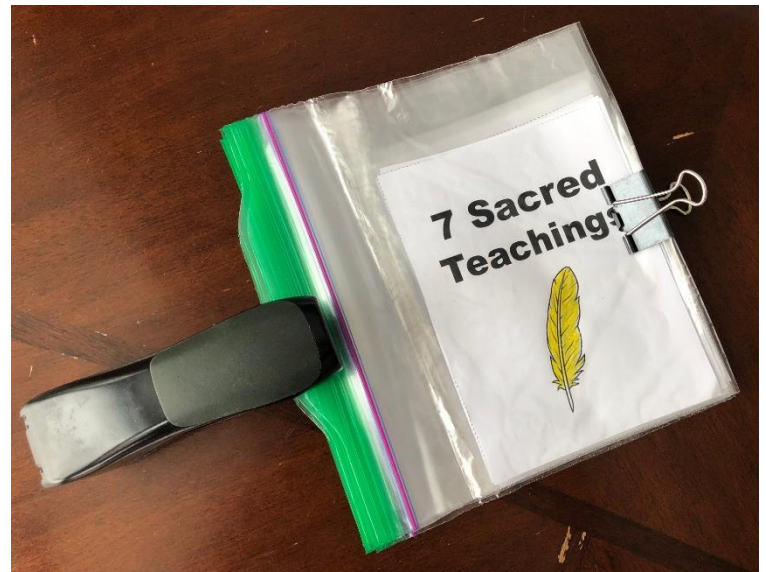

- Repeat this for all the sacred teaching pictures and texts
- You will have 8 bags in total

- The back page will have a trace of your baby's hand

STEP 6 Seal & staple

- Seal all the bags shut
- Align the bags and clip them together on the non-zipped side – this keeps them from sliding while you staple them
- On the zipper end, staple in two spots

STEP 7 Duct tape

- Place duct tape on the edge so the zippers and staples are covered
- Without cutting tape, flip bags on other side and continue to tape until entire edge is covered with tape
